YOUTH CLUB

The clerk advised members that a resident had been to see the facilities in the Boiler Room in the hope that she will be in a position to run a youth club.

The clerk gave an overview of the discussion that she had had with her and the council proposed that they would charge a peppercorn rent (£1 per annum) and will give a grant if this venture is progressed. The clerk had advised her to discuss her intentions with Mr Kirchner-Waines (NY Youth) who will be able to help her. She advised that she was already in contact with him.

Proposed: Cllr Scorthorne

Seconded: Cllr Rose

A vote took place which resulted in 8 for the above proposal and 1 abstention.

The clerk will advise the resident of this and will inform the council of any progress made at a further meeting. The clerk will notify Hunmanby Free Fridge that they may be asked to leave the premises if the youth club was set up as per the original agreement with them.

RESOLVED: That the above information was noted and the proposal agreed.
