

Hunmanby Parish Council – Shops & Businesses Website Inclusion Form

The Parish council is revising its website (alongside its official parish council obligations) with the stated aim of making the village more appealing to its residents & visitors & to encourage the economy of the local area.

Hence this form is intended to allow local shops & businesses to request **free** reference on the new website to help meet these aims. However the Parish council reserves the right to amend or delete any such reference where the shop or business makes misleading or untrue claims **or** is deemed outside the Hunmanby local area **or** is considered detrimental to the positive image of the village that the Parish council wishes to encourage etc.

Please complete the following required information in BLOCK capitals (NB Below business includes shops) but please carefully consider what information you are happy to have publicly divulged.

Name of business & address
Contact details (phone/ email/ own website) for potential customers
Business hours
Contact person & details (phone/ email) for Parish council occasional reviews (if different to above) – not to be shared on the website.
Details of goods/services provided – please note these should be a maximum of 20 words & broad brush descriptions - since the Parish council intends to only infrequently amend this section once established
